evangelistiskt och pastoral arbete, översättning av Guds
ord, utarbetandet av textböcker, sånger, traktater, m. m.,

Det faktum att de utföra sina arbeten uti tretton

OUR MISSIONARIES ON THE FOREIGN FIELD

Foreign missionaries of the Swedish Baptists of America in cooperation with the American Baptist Foreign Mission Societies are working in eighteen different stations in the seven following countries: Burma, India, Assam, China, Japan, Africa and the Philippine Islands. The range of their activities covers practically all varieties of missionary effort as conducted in foreign lands, including evangelistic and pastoral duties, the translation of the Scriptures, the writing of text books, hymns, tracts, etc., medical work as physicians and nurses, as well as educational work in kindergartens, Bible training schools and higher educational institutions. In the prosecution of their varied tasks among the many people where they work the use of thirteen different languages and dialects is required, thus indicating the wide extent of their activity.

The following are still missionaries of the Society although at present not in active service:

Rev. Eric Lund, D.D.	Mrs. Eric Lund
Miss Gerda Paulson	

The following have resigned.
